Dear Student Applicant,

### **RE: SCHOLARSHIP AT CORNERSTONE LEADERSHIP ACADEMY**

The Recruitment committee would like to thank you for your interest in doing all the demanding and challenging interviews at Cornerstone so as to obtain a scholarship for you're A' level education.

We were pleased to have the opportunity to be with you during the first oral and written interviews and also during the practical interviews at Cornerstone campus.

While your background and education qualifications were good, we have had a difficult challenge choosing you among the final candidates from among the outstanding finalists. There were other candidates who were more extraordinary at the present time.

**Although we regret that we are not able to offer you a position at this time, we encourage you to apply in the future if you will fail to join any school.**

The committee will continue to review the status of your application. If there will be any changes we will contact you and give you the available opportunity.

Thank you for allowing us to consider you in applying to Cornerstone.

We wish you continued success in your education pursuits

Sincerely,

Nason Mwadia  
HEADMASTER
